Using the input fields under **Last Name**, **First Name**, **Client**, **Group**, **Username**, **Employee ID**, **E-mail**, **TA-ID**, **Active User** and **Valid from**, the list can be restricted accordingly.

For example, by entering "M" in the Last name field, the list can be restricted to persons whose last name contains at least one "M".

Changing the part-time factor

NOTIZ

Attention! The following description refers to simple modifications! Especially in connection with the consideration of pro rata holiday credits, it is recommended to contact a member of the Workflow support team before entering the data!

Likewise, after selecting the person, the **part-time factor** can be changed via the **Settings tab**.

In the area marked in green, the part-time factor can be changed **immediately** (percentage, number entry) - the changes are applied by clicking on **Save**.
