> **Important**: Consider Time limitation and Historisation[1] so that you achieve the intended effectiveness and historization!

Relatives in the company

In this area, relatives of the employee are entered in the company.

Use cases are here:

- Emergency contact
- Co-insured loved ones?
- Which relatives are entitled to family allowances?
- Is it possible to seize the property by means of a maintenance entitlement?

Further relatives

The employee's relatives are entered in this area.

Use cases are here:

- Emergency contact
- Co-insured loved ones?
- Which relatives are entitled to family allowances?
- Is it possible to seize the property by means of a maintenance entitlement?

If required, the address of each relative can be taken from the employee's address.

Marital Status

At this point it is possible to enter all family records and surnames of the employee historically.
