

# Assigned ToDos

Members of the executive staff, e.g. supervisor etc., maintain their assigned To Dos with this Workflow-list.

In the process-handling you have 2 options: to approve or to decline.

If the request has been approved, a green check-mark appears, if it has been declined, will find a red cross.

Additionally you have the possibility to add comments, by clicking on the "Comment" button.

For editing you have 3 options:

- Forward**  
 A click on the "Forward" button starts the process
- Edit**  
 A click on the "edit" button opens the request, and allows you to make necessary changes (change of date, absence reason, etc.). To start the process, click on the "Start Process" button. If the status shall be still kept as a draft, just click on the "Save" button
- Ad Comment**  
 A click on the "Comment" button opens a pop-up, in which you can write your comments. This comment will appear in the "Progress" column, and can also be read by other user

- **Delete**  
Delete the request
